Coordinator, Central Events (Paradox) — IIT Madras	Sep 2024 – Jun 2025
- Managed flagship fest events for Paradox 2025 — DJ Night, Comedy Night, and opening/closing ceremonies. - Allocated work across team members and directed theme-based decoration planning and documentation.	

ACADEMIC PROJECTS

AI Traffic Violation Detection with e-Challan System	GitHub Link
Built an automated traffic-violation detection pipeline using YOLOv8n for detection and EasyOCR for number-plate recognition, feeding directly into an automatic e-challan system.	
ML-Driven Smart Helmet with Predictive Impact Airbag System	GitHub Link
Developed an autonomous, integrated module capturing IMU data at 1000 Hz; utilises ML for real-time state classification and triggers airbag deployment within 20 ms.	
Hackverse Hackathon Website	GitHub Link
Built a full-stack hackathon platform (problem-statement management, registration, mentor assignment) on Supabase; used live to run the college hackathon end-to-end.	

ACHIEVEMENTS

- Semi-finalist, GO-BRICS International Hackathon — top 69 of 12,000+ teams; competing in the finals in Russia, August 2026.
- 3x Hackathon winner; 1st Place, Mini Project Exhibition; 2nd Place, Web Craft Design.
- 2nd Place, Settlement Design 3.0 (IITM); 3rd Place, Settlement Design 2.0 (IITM); 2nd Place, Twist and Turn.
- 1st Place, State-level Art Competition; member of Guwahati's first all-girls Marching Band, recognised by the IPS officer.
